Welcome to the Peer Assisted Study Session (PASS) schedule!

You can view the schedule Peer Assisted Study Sessions (PASS) sessions run by Temple's Student Success Center (SSC) below. PASS sessions are group-based study meetings led by a peer leader.

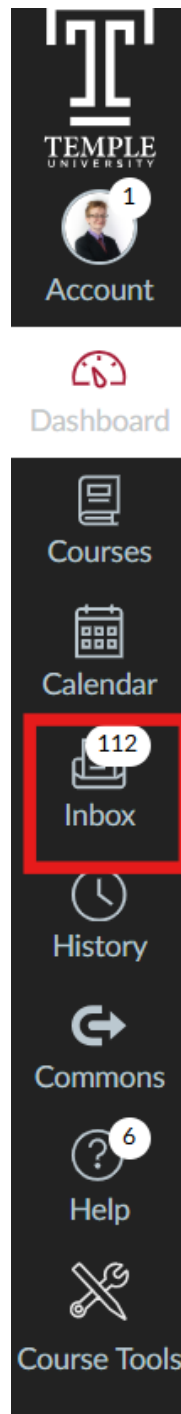

The calendar blocks shown below in **GREY** indicate scheduled sessions (or white if the session just started). You do not make an appointment to attend a PASS session. You just show up at the time and location to participate! Please use the "Course" drop-down menu to filter the schedule by your course.

SESSION LENGTH: All PASS sessions are 50-minutes.

2. Scroll down to find the Zoom link for your course/PASS leader.

The screenshot shows an email draft interface. At the top, there is a blue 'Send' button with a dropdown arrow. To the right of the 'Send' button are icons for a shield, a downward arrow, a trash can, and a link icon. Below the header, the 'To' field contains the email address 'sscdesk@temple.edu', which is highlighted by a red rectangular box. A red arrow points from the right side of the box to the right. To the right of the 'To' field is the 'Bcc' label. Below the 'To' field is the 'Cc' field, which is currently empty. The subject line of the email is 'Trouble finding Zoom tutoring link', and to its right, it says 'Draft saved at 12:32 PM'. The body of the email starts with 'Hello,' followed by a paragraph: 'I hope you're well! I'm having trouble finding my Zoom link for my writing tutoring appointment at 7:30pm with Alex. Can you help me?'
